hereinafter, jointly or individually, referred to as "Parties" or "Party" relating to the Action entitled "**Smart Working Environments for All Ages**", receiving funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 826232, in short **WorkingAge**, hereinafter also referred to as "Project".

The parties referred to above have agreed to enter into the Agreement under the terms and conditions below.

- A. This Agreement is to ensure there is in place proper arrangements relating to personal data transferred or shared between members of the WorkingAge consortium.
- B. The Project in its aims and methodologies takes into account the principles of minimization and limitation of the use of personal data according to the principles of privacy by design stated in art. 25 par 1 of the General Data Protection Regulation (GDPR) [*principle of minimization of treatment*].
- C. It has been agreed that each of the parties is a joint data controller in relation to the data being transferred or shared under this Agreement, in accordance with art. 26 of the GDPR [*joint controllers: Where two or more controllers jointly determine the purposes and means of processing, they shall be joint controllers.*].
- D. The Parties wish to regulate the transferring or sharing of data with UCAM since the party is based in the United Kingdom, which will become a country not member of the European Union.
- E. The parties record their commitment to sharing arrangement under the terms of this Agreement.

The arrangements in the Agreement specify the duties and rights of each partner to fulfill the objectives of the project in compliance with the European legislation in the context of data collection and management.

A precise and complete specification of the following items is listed in the full version of the document (signed by all partners on July 10th, 2021): purpose of sharing data among the partners of the WA consortium, partners in charge of collecting and/or processing data, partners involved in the sharing of the data, description of data items to be collected and/or shared, legal basis for sharing of the data, access and individual rights, information governance, co-operation, transfer of data between parties, transfer of data between Parties and UCAM, data breach interventions, terms and termination, liability.
